IHSA TEAM ACADEMIC ACHIEVEMENT AWARD

We began participating in the **IHSA Team Academic Achievement Award** program starting with the 2009-10 school year. When Varsity team rosters are established for the IHSA post-season State Series, the GPA of each student-athlete is used to create a team average. If the GPA average is 3.0 and above that team will be recognized for their achievement. During the year we will maintain the list of those teams here within our website and put each team name on a special plaque. The plaque is in the trophy case on 1st floor directly across from the Hall of Fame display. Congratulations to our student-athletes for achievement in the classroom!

More information can be found on the main page of the IHSA website (www.ihsa.org).
