The Little Guy, Big Heart- Jordan Schmidt Award

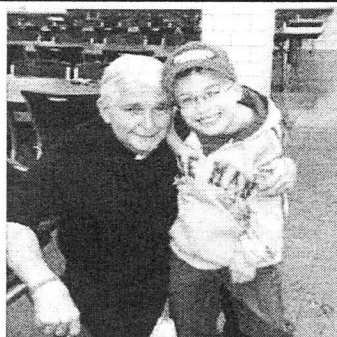

Jordan loved his family very much, but he also loved his Alleman family as well. Jordan Schmidt was a true pioneer. His faith was strong. Jordan was very close with God and he knew that no matter what was thrown at him, God would be there to help him through it. Jordan faced all of his challenges with a smile on his face. His smile brightened everyone's day. The best thing about Jordan was that you did not have to know him long to realize how very special he was. He had a heart of gold and wore it on his sleeve. He would always be there for you, unless of course you mentioned that you liked the Cardinals, but even then he would give you a chance☺
